Sub: Regularization of services rendered as Reserved Trained Pool candidate (RTP) at \_\_\_\_\_  
in East U.P. Telecom Circle.

Respected Madam / Sir,

Most respectfully I beg to submit the following few lines for your kind perusal and sympathetic consideration.

I was recruited as RTP Telegraphist / Time Scale Clerk / Telephone Operator in the year \_\_\_\_\_ vide letter No. \_\_\_\_\_ dated \_\_\_\_\_ and posted on dated \_\_\_\_\_ as \_\_\_\_\_. The applicant served as RTP for \_\_\_\_\_ years and regularized on dated \_\_\_\_\_ after lapse of \_\_\_\_\_ years.

It is submitted that the regular vacancies were in existence but the regularization was not done against the vacancies causing enormous and irreparable loss to me. My pension will also be affected for ever.

I, therefore, entreat upon you to very kindly consider my plight and order for regularization of my services against the vacancy. I shall be immensely grateful for this act of kindness.

An early response is solicited.

Yours faithfully,
